LECTURE on “NEGATIVE-POSITIVE FEEDBACK OSCILLATOR”

By

Prof. V.G.JOSHI

3-2-2020

The aim of the institution is to make the students more skilled and more competitive in different fields related to their subjects. The institution organizes different programs in different fields and among them the Physics Department of the college has organized Inter College Lecture Series on ‘NEGATIVE—POSITIVE FEEDBACK OSCILLATOR’ . In that the chief speaker was Prof. Vibhuti Joshi who is working at VNSGU Surat. It was a very useful lecture for the students.

Joshi
