

B.K.M.SCIENCE COLLEGE,VALSAD

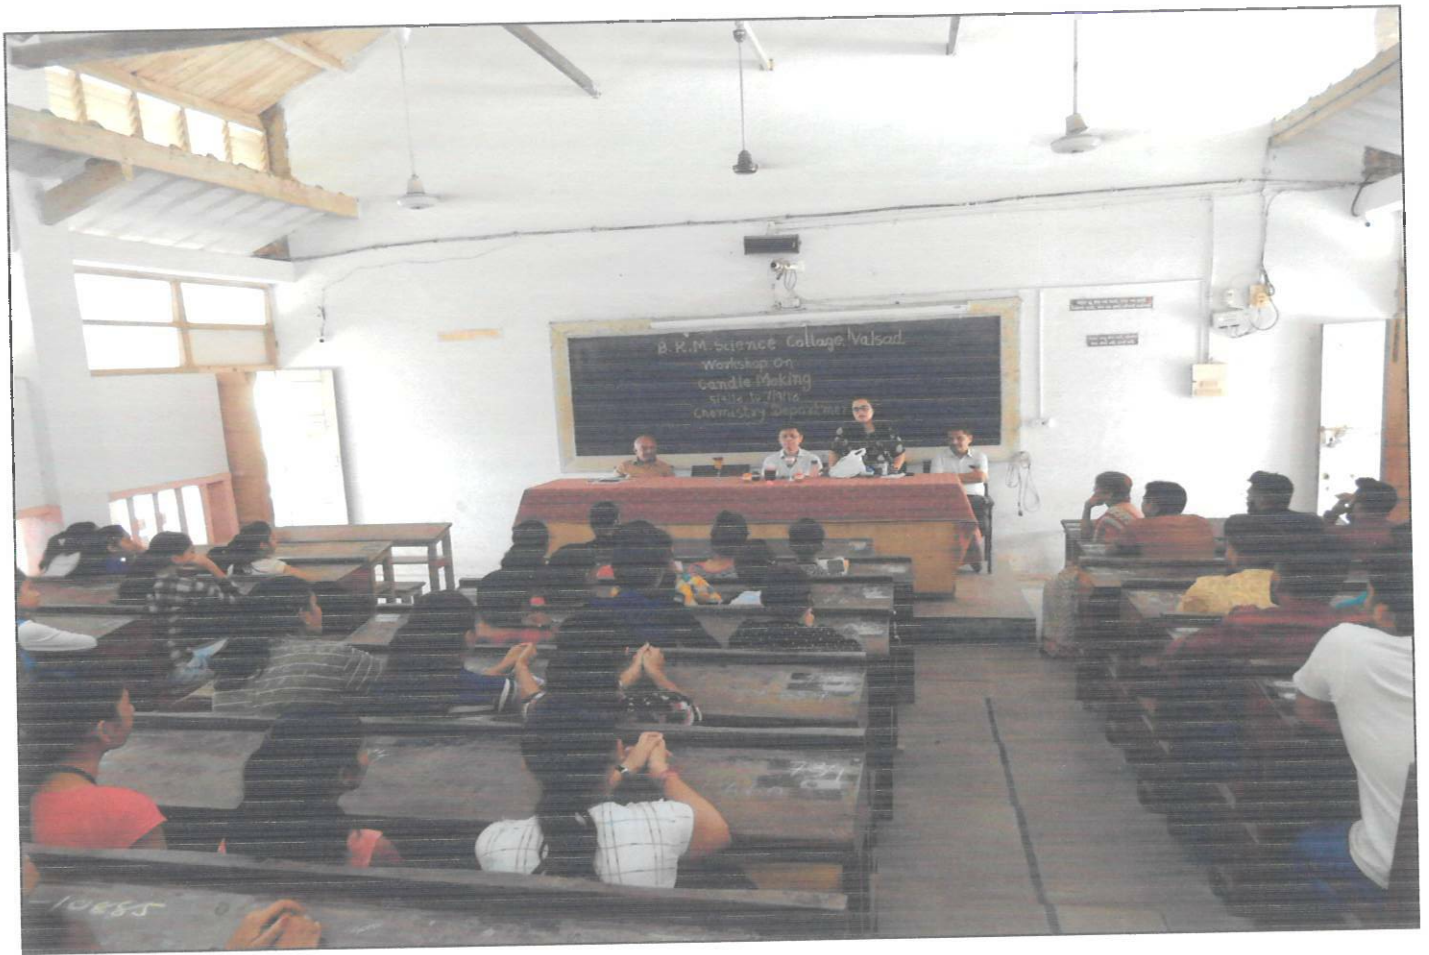

CANDEL MAKING

5-9-2018 to 7-9-2018

Apart from teaching learning process, the institution arranges different workshops for the betterment of the students. To increase the students' creativity level, the institution has organized workshop on Candle Making from 05/09/2018 to 07/09/2018. In that the experts was invited to train the students in making of candle. In that workshop the expert has shown different shape candles to the students. Moreover, she gave information related the materials used in the making of a candle. Further, she has shown the made candles which were of different shape, size and etc. By arranging such creative work shop, the college is providing the platform to increase the creativity level of the students.
