

B. K. M. SCIENCE COLLEGE, VALSAD

UDISHA REPORT 2016-17

UDISHA is a placement initiative taken up by the Commissioner, Higher Education, Department of Education and Government of Gujarat. Its aim is to bridge the gap between the employers and employees. UDISHA also undertakes the role of a lighthouse for the students of Gujarat as it gives their professional life a 'direction'.

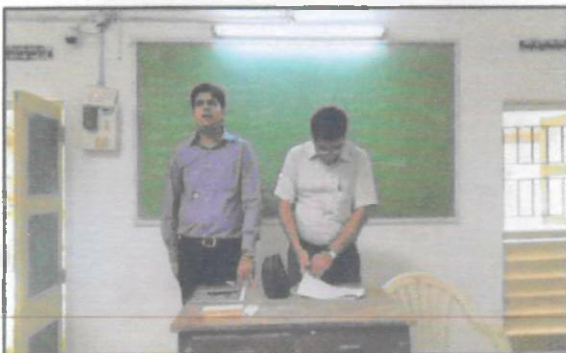

The Mission of UDISHA is to increase employability of graduate and postgraduate students in Gujarat by analyzing their ability and aptitude, To impart training for developing soft skills and building their capacity to match with the needs of potential job providers, To create a data pool of the graduates and postgraduates and also to act as a Resource Center for information and counseling to fulfill Human resource requirements in the job market.

Our College have always been looking forward to the successful future of students and give priority to motivation and soft skill development of students. So we registered nearly about 1100 students of Under Graduate and Post –Graduate are registered under UDISHA run by K.C.G. In this academic year we have arranged Campus Interview ,seminar, Training Program, on different subjects for motivation and skill development of students. Campus Interview was arranged for better placement of students. Different type of activity done under the head of UDISHA as below

**Lecture
on
“Carrier through Compitative Examination.”**

Competitive exams in India are essential if you want to make a career with the Central or state government, Indian Armed Forces, nationalized banks and other public-sector companies. We Arranging guest lectures on “Carrier Through Compitative Examination” by eminent personalities Miss Heena Desai ,Enginnering College, Palsana and Shri Manaharnhai Patel to impart knowledge about various pressing issues of today and current affairs useful for exam preparation. The lecture held on dated 21.09.2016 beween 11.00 am to 01:00 pm in Room No.4. In this lecture 70 student were participated

She nicely explain how to Prepare for a Competitive Exam and how to crack competitive exam by power point presentation. She gave tips for preparation of competitive exam like Solve Test Paper, Mock Test, Reading School Books, News paper And Magazines, Role of mobile apps, T.V. and Internet.

Shri Manaharbhai Patel also gave information to students and said You might not have to pass the physical fitness and mental aptitude tests for some government and public-sector jobs. However, you should be prepared to take these tests too if you want to apply for good posts and make a great career. He said Current affairs for the competitive exam also plays a crucial role. For that, you need to thoroughly update yourself by reading newspapers

Principal Dr. Vikas Desai gave advise to the students and said passing a competitive exam is not enough, you need to crack interview as well, which requires excellent communication and interpersonal skills. Also, you need to score very high marks too to get the best jobs in India. He also said one more way to help yourself is by seeking advice from people that have successfully passed these competitive exams .Proper planning is essential to ensure your success in competitive exams.

**Lecture
on
“How to Face Interview.”**

The Interview Skills Lecture is designed to help qualified job seekers learn and apply the tactics, techniques and etiquette necessary for a successful interview. In today's market, a candidate's success relies most heavily upon an strong resume and these essential interview skills. poor interview skills are causing talented candidates to remain unemployed for extended periods and forgo income and that's why we arranging a lecture on “How to Face Interview” dated 12.01.2018 between 11:00 am to 01:00 pm for T. Y .B.Sc and M.Sc. Students.

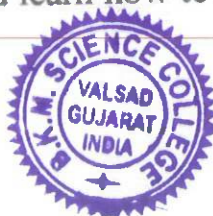

Dr. Vishal Mali, Associate professor at Naranlala College, Navsari informed to students that Many type of precautions we should take during the Interview like First Impression, smile, body language, speak clearly, listen before answering, give brief answer, not saying negative about previous employer, Be truthful, know your resume etc. and this all nicely explain to students by giving different examples. He also give a tips for writing a better resume.

In the end, he discussed in detail the type of questions a candidate can ask the interviewer that would help in leaving a good impression. Prin. Dr. Vikas A. Desai said this type of lecture is essential for students. Overall, it happened to be an interactive session with immense learning, thereby enhancing our knowledge and skills in regard to placement purposes.

In this Lecture 68 students were participated and gave feed back that By attending this lecture they gain confidence and learn how to maximize your ability to convert a job interview into a job offer.
