## GANDHI NIRVAN DIN-2018

Our freedom fighters have sacrificed their life to make our country free from the suppression of the British rules and one of them was Gandhiji who had contribute his whole life to make India free. He believed in non-violence and always follow the path of the truth. Being the father of the national he did major works to make Indian people more wise and polished human being. By following his views and thoughts, our college has celebrated Gandhi Nirvan Day on 30-01-2018. In the celebration all the students as well as the faculty members took part and made the celebration a memorable one. The principal Dr. Vikas Desai advised the students to follow their heart and live a peaceful life. He advised to follow Gandhiji's advice and make yourself more humble and be good with all.
