LECTURE BY Dr. MINAXI SETH  
WOMEN CELL

2-2-2018

It 's been said that "Health is Wealth" ,by keeping this motto, our college has organized a lecture on "SKINCARE , HEALTH CARE AND IMMUNITY " by inviting eminent Dr. MINAXI SETH who has shared her knowledge related to health. She gave advice to the students to keep their skin free from any allergic diseases. Moreover, she also made the students aware about the food which can also effect or can cause skin related issues. In addition, she gave such information how to build immunity system. Such program can be proved very helpful to the students to make their health good or to keep themselves healthy. Our college organizes such programs for the betterment of the students since they are the faces of the future.
