Exercise NCC YOGDAN

The NCC cadets of our college had actively participated in Exercise NCC Yogdan. The second wave of Corona had brought disturbance to our nation. At this crucial time our cadets had done many activities related to COVID-19 with all safety precautions. They had made poster related to COVID-19. They managed the queue and made the public to stand with social distance, sanitize hands, and also encouraged them for vaccination. Cadets also explained the safety norms to the shopkeeper and to keep all the safety precautions. They had made videos on spreading awareness and positivity during this pandemic.

Cleared doubts of public through videos on the frequently asked question related to vaccination. So that people can clear their doubt and go for vaccination. And also, can get ideas of the benefits of vaccination. Cadets effectively motivated the society through their experience after vaccination. Gave guidance to citizens about how to register for vaccination so that they can easily get the ideas about registration.

They talked with old age home people and encourage them to stay positive, to stay at home and not to worry. We also gave greetings cards to frontline workers for their selfless service.

In this yogdan there were 10 SW and 16 SD; Total 26 Cadets had actively participated.
