Safety is the motto of the college and for that a lecture series on 'Chemical Safety', was arranged by the department of the chemistry and the speaker was Mr. Rajnikant Desai who is eminent person in the field of chemistry. He has made the students, especially those who want to pursue their career in chemical field, aware about such measures which need to be taken while dealing or working with chemicals. It was a great learning experience for the students. With safety measures the students can work efficiently and effectively.
