NET-G-SET EXAM CLASSES

13-05-2022 TO 22-05-2022

Apart from the academic achievements, our college's motto is to make the learners more competent for the competitive exams. For that the institution has arranged 10 days classes for NET and GSET exam preparation from 13/05/2018 to 22/05/2018. In that the students were advised for the systematic and proper practice for the examination. Such type of guideline will help the students to make themselves prepare for such examination and can make their future bright.
