

# B.K.M.SCIENCE COLLEGE,VALSAD

PHYSICS LECTURE SERIES,

LECTURE

OF

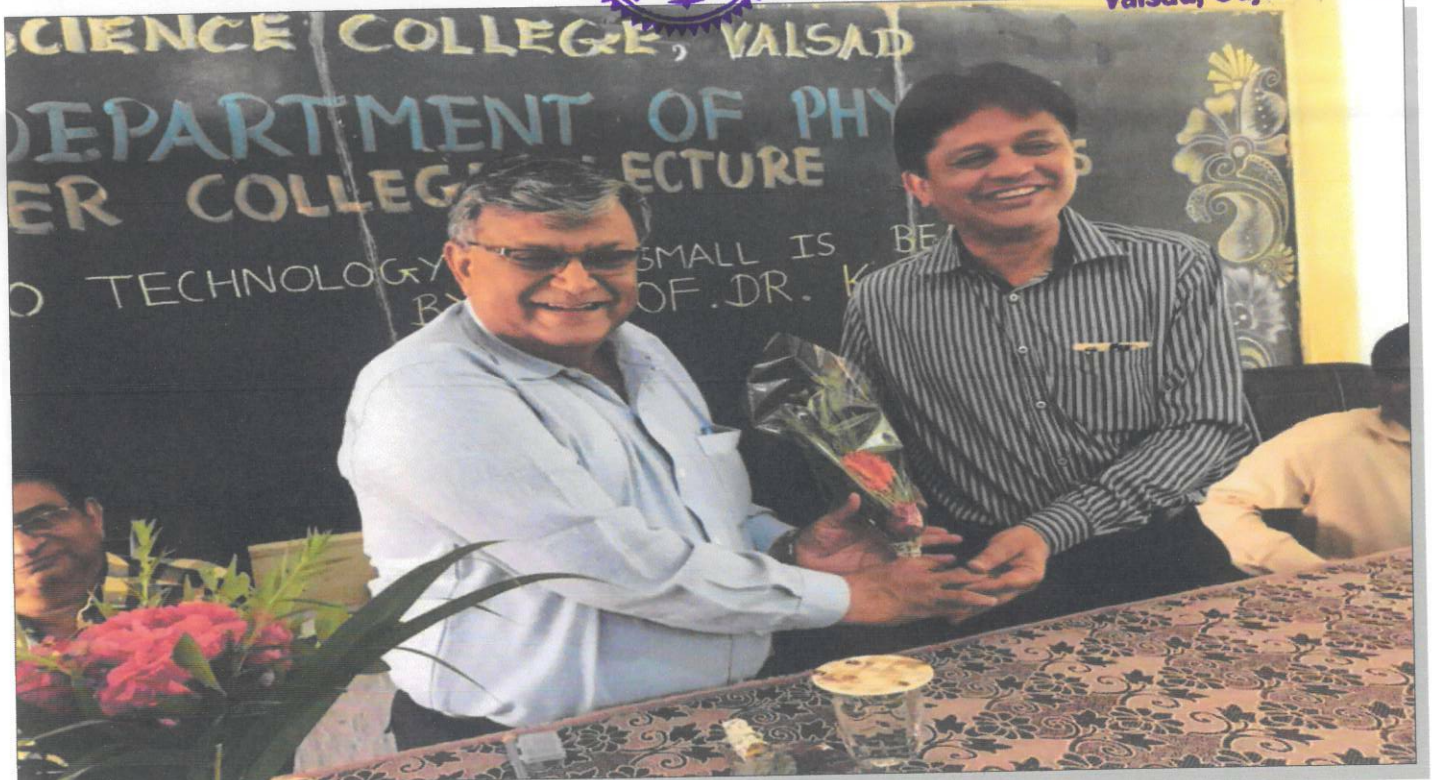

Dr. K.C.PORIA

YEAR-2017-2018

In the present time it is necessary to be with the latest or current technology and for that our institutions institution organizes different seminars or lectures on different subjects. One of them was the seminar on 'Nano Technology: A small is Beautiful' which has been organized by the Physics department of the college. The guest speaker was Dr. K.C. Poria who has been serving as an HOD in physics at university. He had shared his knowledge with our students and made them aware about the NANO technology which will be very helpful to them for more research and advancement in the field of technology.
