

B. K. M. Science College, Valsad
Celebration of “International Women’s day”

Speaker:- Dr. Madhavi Naik

Date :- 08.03.2020

International Women's Day is celebrated in the world over, every year on the eight day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. It's root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change.

The main Objective is to create awareness of gender equality for a healthy society. Also, The milestone to be reached is the basic information for a girl child in every family education will during awareness among the society which will further result in overall development of nation and its community

This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honour, loved and admired. To honor womanhood, B. K. M. Science College , Valsad has celebrated the International Women’s Day on Tuesday, 8th March, 2020 in Room No.12. For the event Speaker Dr. Madhavi Naik, Gynaecologist was offered a floral welcome. The inaugural note was delivered by Dr. Madhvai Desai, Convener , Women’s Cell.

She presented her views regarding this special occasion. She accentuated the importance of the day by saying that the celebration is being done only because no other species such as plethora of attributes. History has written the efforts of woman in golden words. Whether in domestic field or in various other professional fields, women achieve pinnacle everywhere. She told about women’s rights in every aspect of life and protested day-to-day crime against women. She emphasized that in order to empower women in a country like India, the government should make different policies and implement those.

During the event Dr. Madhavi Naik addressed that there should be a balance between career and family and without a family support a woman can't achieve success, also addressed that girls should know their right to defend themselves and be careful against crimes against women. Further she said, gender equality is very important for a healthy society. The milestone to be reached is the basic information for a girl child in every family education will during awareness among the society which will further result in overall development of nation and its community. She also said that it was the time to uphold women's achievements, recognize challenges and focus greater attention on women's rights and gender equality to mobilize all people to do their best.

Discussions with the girl students were on a one-to-one basis and took the form of guided conversations. The discussions explored women's experiences of accessing power structures and of operating in what were often male-dominated environments. The findings of the discussions contributed to a number of recommendations and suggestions for the consideration of the Working committee on International Women's Day. She also advised the girl students to be career conscious and economically independent. She quoted "Being a woman is the best way of being in the world." In this event 40 girl students were participated.

Staff member Dr. Smruti N. Lad, Dr. Kiranben D. Desai, Dr. Nandini Bhadra, Mrs. S. L. Vani were present and encourage the girl students. Dr. Madhavi Desai delivered the vote of thanks. The event was successfully coordinated by the Convener Dr. Madhavi Desai.
