LECTURE on “FUNDAMENTAL CONCEPTS TO DO EFFECTIVE RESEARCH”

BY
GAUARAVBHAI SHAH

2019-2020

The motto of the institution is to do different activities for the betterment of the students . To achieve this the Biology department of the college has organized a lecture series on ‘ Fundamental Concept to do Effective Research’ under the umbrella of College Expansion Lecture Series. For better information the department has invited Dr. Gaurav Shah who is serving as an Assistant Professor in the department of Biotech in university, Surat. He has shared his immense knowledge with the students as well as with the faculties, too. By such lecture the students will have clear understanding in the field of research. It was a good experience for all.
