

B.K.M.SCIENCE COLLEGE,VALSAD

FAREWELL OF PHYSICS STUDENTS

26-04-2017

To cite Paulo Coelho, if we are brave enough to say goodbye, life will reward us with a new Hello. We all departed in one pursuit to meet a new life with a new hello. A farewell get-together for T.Y.B.Sc. Physics students were arranged on 14th January 2017 in the Physics department. It was celebrated with students and teachers had a great time cherishing old memories and making new ones. The function began with a prayer by college a student. A floral welcome was given to Vice Principal Dr.T.G.Gohil, Head of the Physics Department Prof.U.K.Patel, all Professors, laboratory and administrative staff of the Physics department by the students. Students also gave memento to the Physics department.

Vice Principal Dr.T.G.Gohil heartly welcome the gathering and encouraged the students to be fearless in their pursuits in life. Head of Physics department, Prof.U.K.Patel motivated the students with his inspirational talk on stress managing techniques, which, as was expected, was a great learning experience for all. Prof.A.J.Goel wished the students for their future endeavors. Other faculty members of Physics department wished a Prosperous future ahead.

Speeches were also given by the students. Students of each department share their experiences and memories during their stay at B.K.M. Some of the speeches were quite touching which was indicative of mixed emotions of the students which they were undergoing during this phase. The emotions were joyful owing to successful completion of three years at the institute and little sadness due to leaving the premises, teachers and classmates for the future endeavors. The function was concluded with a vote of thank by Prof.Tushar Desai.

Principal,
B.K.M. Science College,
Valsad, Gujarat, India.
