SELF DEFENCE WOMENCELL 2017-2018

In the present time to make women strong is mandatory. For that our college has arranged Self- Defense Program for the girls of the college to make them capable to fight against any situation. In the program they were trained in different defensive act like karate, weapons training etc. The experts were invited for such program so that our girl students can have thorough training and can make themselves enough strong.

Principal,
