## Career Guidance Seminar on “ Call For Age”

Our College have always been looking forward to the successful future of students. For this purpose provide a better guidance we arranged a career Guidance Seminar on “ Call For Age” on 07.08.2019 at Room No. 12. More than 250 students participated in this seminar. On this Occasion Vice Principal Dr. T. G. Gohil warmly welcomed to Mr. Dipesh Shah, by bouquet and delivered a welcome speech and and explained how students utilize their college period for their successful career.

To make the seminar an interactive one, Mr. Dipesh Shah first asked the students about their career preferences. He wanted to know about the career related scenario with the students, after listening to the student’s view, he said that career guidance sessions serve as a platform for students and parents to gain awareness about various career option, career planning, goal setting and career exploration. Also he gave importance information related to personality development. The purpose of the career guidance seminar is to impart knowledge about detail of various career option that you can pursue.

The guidance seminars are conducted with help of Power Point presentations and interactive Question and Answer sessions.

At the same time, he told the students about the efforts of college for the student’s careers. Students gives their feedback that the information given in the seminar has definitely encouraged them and they will try to give a new look to their career while paying attention to these things.

UDISHA Co-ordinator Dr. Pankaj Patel explained that this type of seminar is beneficial for the student’s career and said that education is the key to success.

### Classes on “Spoken English “

We arranged Spoken English Classes in the month of August –September 2019. About 55 students participated, making it a success. Mr. Sandeep M. Patel was given Equal attention to Listening, Speaking, Reading and Writing skills. The class focused on enriching vocabulary for regular day-to-day speaking.

The Students were made to listen to few audios and then they were asked to explained it in the class-room.

The Students were made aware about the influence of mother tongue on learning of English language. They were made aware of correct Pronunciation of words, thus helped removing mother tongue interference.

The difference between Indian English, British English and American English was also discussed in detail. Few lectures were dedicated on use of technology, time-management, personal and public speaking and Personality development which added to the utility of the classes

Thus, the classes were made effective for everyday speaking.
