B.K.M.Science College, Valsad

NSS REPORT

2017-18

National Service Scheme popularly known as NSS was launched in Mahatma Gandhi Centenary year 1969 and aimed to developing student's personality through community service. The overall objective of National Service is education. This objective is attained through the service to the community. National Service Scheme is a permanent youth programme under the ministry of Youth Affairs and Sports, Government of India and funded by Government of Gujarat and Government of India.

It is indeed great privilege for me to give concise Annual Report on the regular activities of NSS unit, B.K.M.Science College Valsad during the academic year 2017-2018. Following activities were successfully conducted by NSS Unit Programme Officers Dr.Sumanbhai C. Patel, Dr.Nevil V.Desai, Dr.Brijesh T. Shah and Dr.Anjani N.Solankee with 494 NSS Volunteers.

AIMS AND OBJECTIVE

- 1) Understand The community in which they work.
- 2) Identify the needs and problems of the community and involve them in problem solving process.
- 3) Develop among themselves a sense of social and civic responsibility.
- 4) Utilize their knowledge in finding practical solutions to individual and community problems.
- 5) Develop competence required for group living and sharing of responsibilities.
- 6) Gain skills in mobilizing community participation.
- 7) Acquire leadership qualities and democratic attitude.
- 8) Develop capacity to meet emergencies and natural disasters.
- 9) Practice national integration and social harmony

MOTTO

The motto of the NSS is "Not me but you". It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This expresses the essence of democratic living and upholds the need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings.

SYMBOL

The symbol of the National Service Scheme has been based on the Giant Rath Wheel of the world famous Konark Sun Temple Orissa, India. The giant wheel of the sun temple portrays the cycles of creation, preservation and release and signifies the movement in life across time and space. The design of the symbol, a simplified form of Sun Chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and enlistment.

BADGE

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme or community service. The Konark wheel in the symbol has eight bars, which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for the service of the nation round the clock i.e. for 24 hours. The red colour in the badge indicates that the NSS volunteers are full of young blood i.e. lively, active, energetic and full of high spirit. The Navy Blue Colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

NSS SONG

During Silver Jubilee Year 1994 the NSS theme song has been composed. All NSS volunteers are expected to learn the theme song and sing the song during NSS programme and celebrations.

We shall overcome

We shall overcome

We shall overcome some day

O! deep in my heart

I do believe that

We shall overcome some day

We'll walk hand in hand

08-2

We'll walk hand in hand
We'll walk hand in hand to-day
O! deep in my heart
I do believe that
We shall overcome some day
We shall live in peace.
We shall live in peace.
We shall live in peace to-day
O! deep in my heart
I do believe that
We shall overcome some day
We shall not be afraid
We shall not be afraid
We shall not be afraid to-day
O! deep in my heart
I do believe that
We shall overcome some day.

11-7

(3) Tree Plantation At College Campus

The NSS Unit of B.K.M. Science College Valsad organized a Tree Plantation Programme in the college campus on 15/8/2017. NSS programme officer and 80 (F-47, M-33) NSS volunteers participate in tree plantation in campus. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature. Trees are the most source for producing oxygen in environment and helps to reduce the level of CO₂.
