## SANSKRUTIK SWADHYAY KASOTI

29-8-2017

To keep Indian culture alive and to inculcate the cultural values to the students, our institution has organized “SANSKRUTIK SWADHYAY KASOTI” in collaboration with Vivekananda Kendra, Kanyakumari under the umbrella of Sarjanatmak Abhivyakti Dhara and NSS. The students gracefully participated in the competition and made the event fruitful in terms of cultural preservation. In addition, our principal and the faculty members have supported the students very well and motivate to participate in such competition.
