**Drawing competition on
"Mahatma Gandhi as a universal leader"
30 th January 2017**

Working with their pens and colours, unleashing their creative thoughts and ideas to be spread out on the Drawing Sheets, the Painting competition will be a platform to bring together budding students to showcase their talent. To discover the undiscovered talents and innovative students, competitions must regularly organized. It is about encouraging, nurturing and showcasing every Student's natural creative flair.

Happiness comes from creative efforts. The joy of dreaming, creating and expressing your thoughts by drawing and painting is unparalleled. The famous painter Pablo Picasso said, "Every child is an artist". Keeping this in mind and to explore the creative potentials in the young minds of our students the B.K.M.Science College organized a drawing competition on a topic "Mahatma Gandhiji as a universal leader at our college premises on 30 th January 2017.

The theme of the competition allows the participants to draw and paint on a wide range of subjects related to the life and philosophy of Mahatma Gandhi. The participants can depict important events in the life of the Mahatma and / or create an artwork which will depict the Mahatma's vision, philosophy and ideas on subjects as diverse as rural development, swadeshi, khadi, women empowerment, cleanliness and many other subjects dear to the Mahatma.

It was not a competition rather a great occasion to show respect towards the great and noble man Mahatma Gandhiji through paintings. This activity motivated students to express their views and explore their creativity through their art work. Students filled magic with their colours in Painting competition.

Principal Dr.Vikas Desai encouraged to discover the undiscovered talents and innovative students, competitions are regularly organized by our college. It is about encouraging, nurturing and showcasing every student's natural creative flair. Through these contests students learn to explore the extent of their imagination and express themselves without any fear. Some of young artist's of our college, who are too young to even understand the meaning of life, have achieved the greater levels of creativity and refinement.

Vice Principal Dr.T.G.Gohil expressed his views by saying that such competition helps students not only to enjoy the activity that gave them opportunity for their creative expression but also motivated them to take pledge to work towards progressing for sustainable future through small everyday initiatives and make our earth a better place to live in. More than 400 students actively participated in the competition. Students showed their talent by making beautiful posters of gandhiji. The Posters made by participants was a feast for the eyes. Drawing skills demonstrated the student's creative urge. Different color poster and different motifs were demonstrated. Everyone enjoyed the activity.

An impressive panel of judges Prof.Patel and Prof.Rajeshkumar Solanki evaluated the efforts of the participants won the first prize, won the second prize and won the third prize of the Competition. Convener of the competition Dr.S.M.Patel thanked the thanked students,teaching and administrative staff for making the event a roaring success.

Dr.J.M.Desai, Dr.S.J.Prajapati, Prof.U.K.Patel, Prof.Nandiniben Bhadra, Dr.Kirenben Desai, Prof.A.J.Goel, Dr.B.T.Shah and administrative staff members work hard to make the event successful. The students participated enthusiastically in the activity as it gave them an opportunity to showcase their creativity.
